

Brian & Eleanor Cudmore Lofoten Islands Cruise Presentation

Invitation to Club Members for Thursday March 18th

A name synonymous with sailing and a couple who thoroughly embody the cruising ideal, and whose daughter Ruth is a club member, Brian and Eleanor Cudmore have kindly agreed to visit the club Founders Room with a slideshow of their cruise to the Lofoten islands, 200 miles inside the Arctic Circle.

Brian and Eleanor Cudmore have logged distances others only dream of and this night will be a fundraiser for the RNLI at their request, with a token €5 per person requested.

All are welcome, and anyone serious about sailing long distances, equipment appraisal, higher latitude navigation, stores, supplies etc. will have a lot of questions answered.

Support your club and the RNLI by attending this informative presentation!
